

RedBrick Church
2019 Summer Worship Series

July 21, 2019

A Special Welcome to:
Kendall Stone
Reimer

This week we welcome back Kendall Stone (nee Reimer) to lead us in worship.

Kendall shares, "I was incredibly blessed to be raised in a musical family - so much so that I don't think I could have escaped music if I'd tried! There was rarely a day when there wasn't music playing in our home. Because of the diversity and eclectic mix that I learned to love, music in all of its forms, lives inside of me and has shaped my appreciation and passion for so many genres. We were a family who sang harmonies around the piano at Christmas time, sang loudly with the band in church each Sunday, initiated community charity concerts and never missed a choir practice."

This morning, she is joined by her husband's best friend, Brad Wall, who shares her passion for music.

For more information on Kendall's music, please visit her new website:
