2019 Summer Worship Series

July 28, 2019

A Special Welcome to:
Emily & Jodi

Emily and Jodi met at an Open Mic event in St. Catharines where unique musicians come to share their talent and expose their passion. After hearing each other play, they realized through conversation and undoubted fate, that they both have a passion and appreciation for Praise and Worship music.

Jodi continues her skillful play and studies the ukulele, and also shares her musical passion, running the lesson center at Long and McQuade. Emily is very active with her involvement in our Praise and Worship band, and playing the bass guitar for the NOTL Ukesters.

Today they are thrilled to have Jodi's Mother Nancy Boese join them. Nancy is a talented singer both in a choir and a choral trio. Nancy lead worship at Fairview Mennonite Church and is currently enjoying retirement.

Emily, Jodi & Nancy are thrilled they met through music and able to discover new avenues and experiences. Music has given them a chance to combine their skills and talents and share with you some old favorites and some new songs, at the Worship service today.

Administration...

Sanctuary Doors

If you need to close the sanctuary doors or others in the building with swing arms, please use the small black button to close the doors. NEVER pull on the door to close it. This bends the swing arm. We currently have two doors that are damaged and will require repairs.

Lights

Again, this week we have arrived in the morning to find all the lights in the church on. Please when leaving turn off the lights and close doors behind you.

Photo Directory

There are still appointment times available. Booking can be done online or by calling the church office. There are times on September 6 or 26. All the other dates are fully booked.

Missing Roof

The Bradnam's are missing the roof cover for their pop-up canopy. It was borrowed for the church picnic. The canopy is useless without the roof. Anyone who had a canopy here, if you can check your bag and see if you have an extra beige/taupe roof piece. Thanks for your help.
