Please pray for our graduates & post-secondary students as they embark upon new adventures or continue along in their quest of pursuing higher education:

- Braeden Fieguth is entering his 1st year of Animal Biology at Guelph University.
- Gabrielle Regier has graduated from Eden high school and is now taking a gap year.
- Hannah Riediger is entering 1st year of Marketing & Business studies at the Niagara College.
- Kathryn Wiens is continuing her work towards her PhD in Epidemiology at the University of Toronto.

Heartfelt congratulations go out to all our recent graduates! Praise God for the dedication and wisdom he bestowed upon them through their time of studies. May the Spirit prepare them and guide them as they continue along God's path. May God bless each of these individuals, listed here, and those in our congregation not listed here, who continue as students, in their studies and pursuit of higher education, providing endurance, direction, and a never-ending passion for learning.
