"Christmas does not deny sorrow
its place in the world.
But the message of Christmas is
that joy is bigger than despair,
the peace will outlast turmoil,
that love has crushed all the evil, hate and pain
the world at its worst can muster."

~ Randall L. Frame, *Christianity Today*

May the Good News of Christmas
give you peace and hope for your faith journey,
and courage to join with God's people
in the mission of bringing love to our broken
world!

Wishing You God's Blessing this Christmas
and throughout the coming New Year!
