Please Pray for

Helene Nickel (98) went into the St. Catharines Hospital with hip pain. Please pray that she regains her appetite and can return to her Heidehof apartment.

Weekly Update From NUMC...

Requests

We have had a lot of calls to the office requesting being able to access items that are in the church such as library books, quilting materials or music. It involves too much contact between individuals to transfer items from person to person. It is also why we have been unable to provide printed bulletins. We know this is frustrating for people, we are very sorry. Everyone's health is too important to risk spreading anything.

Church Building

Wondering if the church is okay, well it is. Daily it is checked to ensure all is well. Maintenance issues, which to date there has been nothing urgent, are being taken care of. This has also been a good time for the custodian to get some work done around the building with little disturbance to church life. The church building continues to be officially closed. Worship Services are being posted to the website. Devotionals and updates are being added to the Church Website and Facebook throughout the week. We hope that everyone is staying home and staying safe. We continue to evolve each week to the changing situation and are endeavoring to reformat our services and programming to online gatherings. If you have questions, call the church.

Care or Practical Assistance

If you need assistance or require a Care Team member, please contact the church office. We are here to support each other, and we want everyone to know they have a place to turn to if they need assistance.

E-News Sign Up

Thank you to those who have been signing up this week. This is our best way of directly communicating updates quickly during the church closure. Please go to church website and join our E-newsletter. There are groups specific to the choirs, membership meetings, Sunday School and monthly newsletters. Go to, redbrickchurch.ca, "Click Here" on the banner message.
