Lent

What is it?

Shortly said, the purpose of Lent is to prepare us for Easter, which through the centuries has included: prayer, doing penance, repentance of sins, almsgiving, and self-denial.

Today, Lent is often associated with giving something up or fasting from something (self-denial) – “What are you fasting from this Lenten season?” or “What are you giving up for Lent?”

So when does it begin?

The Lenten fast begins on Ash Wednesday, the day after Shrove Tuesday - the day of packed ourselves full of pancakes to hold us over until Easter, the end of Lent. While Lent is a “newer” practice in many Mennonite Churches, it is an ancient Christian practice that is believed to date back the 4th Century. Lent is about 40 days.

Why 40 days?

To commemorate the 40 days Jesus fasted in the wilderness.

This year for Lent, we are going to begin by entering into the wilderness with Jesus where he was tested (Matt 4:1-11), before venturing with him on his last journey to Jerusalem for his final test.
