## Summer Worship Parables Series by: Pastor Daniel Janzen

### **Parables of Jesus by Luke**

Jesus' use of parables was quite a distinctive method of teaching at the time when he lived. Parables, however, were more than just a unique form of pedagogy, they were earthy and relatable, sometimes comical and sometimes polemic. And they were always powerful stories to convey what the Kingdom of God was like. Join us over the coming summer weeks as we delve into the startling parables of Jesus record in Luke.
