Due to the rise in covid cases and public health guidelines the Church Board and staff made a decision to return to online services for the month of January.

In addition, all ministry meetings will be done over ZOOM. Other activities and events have been cancelled for the rest of January unless they can be done on ZOOM.

The library is accessible, contact Marlies to make arrangements.

Bulletins will be printed and placed outside the double glass doors at the church. Copies will continue to be delivered to those living at Pleasant Manor.

Donations can be dropped off to the black mailbox outside the glass doors at the church. Alternatively, online and E-transfers can be done.

The staff will be working remotely for most of the month as per public health guidelines. If you require access to the church, please call or email the office to setup a time.

The Church Board and staff are monitoring the situation and will make a decision to return to in-person gatherings based on public health guidelines.
