

Worship & Children's Ministry Coordinator Maternity Leave Position

An ideal candidate will love Jesus and uphold the values and belief of NUMC and will be passionate in leading and engaging a multigenerational congregation in Sunday morning worship, as well as, having organizational abilities to coordinate the behind scene elements that lead up to Sunday morning worship and Sunday School program, Red Brick Kids (RBK).

A snapshot of the Worship and Children's Ministry at NUMC:

Niagara United Mennonite Church is a multigenerational community. We participate in a variety of music worship styles from traditional hymnody to contemporary worship music and have a pool of talented musicians in our volunteer team who help create and sustain this mosaic of musical styles. We have purchased a small set of Voices Together for our music leadership and are exploring the new hymnal.

In January 2020, we began the process of reimagining our children's ministry program, Red Brick Kids. In September of 2020, we pivoted to an online model, which wrapped up on January 30, 2022 to focus exclusively on our in-person program. Through Advent of 2021, we piloted our new in-person ministry with a very dedicated team, and are looking to continue to build upon the foundation that has been laid. We serve about 20 children, ages ?? on a weekly basis and have a very high commitment level from those families: 80% of our families have at least one spouse volunteering in the program. We also are dreaming about what other children's ministry opportunities God has for us.

Reporting to: Lead Pastor, Church Board

Coordinating with: Pastor of Youth and Young Adult Ministries, Worship Ministry Chair, Education Ministry Chair, RBK Superintendent, Office Administrator
