Tulips for our Neighbours

The Engagement ministry team encourages our congregation to reach out to our neighbours on March 21 by handing out tulips. A simple act of kindness like this can spark a conversation and open up a new door to relationship. So, if you feel so led, get yourself some tulips and put some color into the lives of those around you.

COVID Practices

- We are asking everyone to continue to self-screen at home before attending church events.
- Masks are optional for entering the building as of March 21.
- Physical distance is no longer required, but we would like to continue to be mindful of those who would still prefer a bit of extra space. We are reserving the outer pews on the main level for those who still wish to physically distance.
