Our Community and Beyond ...

Russlaender 100: Memories of Migration Tour

2023 marks the 100th anniversary of the first arrival of Russian Mennonites in Canada in the 1920s. This group is often referred to as the "Russlaender". A collaborative effort among the national and provincial Mennonite historical societies and TourMagination, this cross-Canada train tour will re-enact the historic migration of 21,000 Russlaender Mennonites between 1923 and 1930. The tour celebrates the faith of these newcomers, memorializes the hardships and challenges of resettlement, and acknowledges race and displacement in Canadian history. Starting in Quebec, going through Ontario and the prairie provinces and ending in Abbotsford, BC, the tour is offered in three sections. Join up for one, two or all three. For more information, please refer to the attached brochure or visit the TourMagination website at:
