Blanket Exercise

May 5th, 7pm, at Bethany Mennonite Church. The blanket exercise is an interactive educational program that teaches the history of Indigenous and Settler people in Canada from an Indigenous perspective. Participants stand on blankets representing lands inhabited by Indigenous Peoples. A facilitator tells the story of first contact, moving and removing blankets to show the way land was taken and peoples relocated, and to illustrate the impact of disease, war, and extinction. The exercise concludes with the participants discussing the experience in groups. To register please email office@bethanymennonite.ca. Participation is free.
