Within the Community...

Please pray for the MCEC community of congregations.

This week we are praying for
Wellesley Mennonite Church.
Matthew Bailey-Dick provides
pastoral leadership for this
community. Pray for this
community as they continually
grow as Christ's disciples of healing
and hope who worship, learn and
live generously.

Voices Together Learning Sessions Continue Today!

Good news! You haven't missed out! We postponed the second learning session from October 5th due to our longer contemplative service, so join us today after the service instead for 30 minutes of learning and listening! We'll look at the different styles of music in the collection, Anabaptist representation, contemporary worship music, and check out the most popular heart songs in Voices Together. The sessions stand alone each week, so we welcome anyone to join, any time!

The family of Hans Hermann & Ingrid Dau invite their NUMC friends to an open house coffee/tea reception to celebrate their 65th wedding Anniversary and Hans Hermann's 90th Birthday! Pleasant Manor Chapel, Sunday, October 26th, 3-5:00 p.m.

Family News...

John and Kaethe Tiessen would like to thank everyone for their prayers during John's recent health issue. Your prayers and well wishes have been a gift beyond measure. Though John is improving and doing well, we still cherish your prayers for continued recovery.

It is with much sadness that we share the passing of our sister Käthe Ursula Neumann. June 19, 1954 to October 14, 2025. Käthe was pre-deceased by her parents Carl and Hertha Neumann. Sincerely, Dorothea van Ravenswaay.

Grow Hope Niagara Wrap-Up Meeting

This year we are having a Wrap-Up meeting for the Grow Hope Niagara 2025 CFGB/MCC grain growing project. It will be held on **Sunday Nov 16 at Grace Mennonite Church at 7:30pm**

As you know this summer was hot and dry, making for a difficult year in grain growing agriculture. This year's corn crop reflects that stress and hearing about this year's project from field manager, Larry Dyck will give you a clearer picture of some of this year's farming's dynamic.
