Time Change Next Week!

A reminder that the clocks will be turned back one hour starting on Sunday November 2. Please synchronize your clocks and watches.

Lost and Found Items

We have found numerous lost items in the past few weeks. Lost items are stored in the church mailroom in the foyer. There are also two winter dress coats hanging on the coat rack near the nursery. Please take a look to see if anything belongs to you. These items will be donated to charity, if they are not claimed by November 1.

Christmas Visitation Opportunity!

Do you love Christmas and connecting with people? Then an opportunity awaits you this December! The Visitation Team would like to spread some Christmas joy again this year by visiting senior members. Please Contact Linda Pankratz or Pastor Daniel if you would like to spread some cheer.

Grow Hope Niagara Wrap-Up Meeting

This year we are having a Wrap-Up meeting for the Grow Hope Niagara 2025 CFGB/MCC grain growing project. It will be held on **Sunday Nov 16 at Grace Mennonite Church at 7:30pm**. As you know this summer was hot and dry, making for a difficult year in grain growing agriculture. This year's corn crop reflects that stress and hearing about this year's project from field manager, Larry Dyck will give you a clearer picture of some of this year's farming's dynamic.

Book Signing with Troy Watson, author of "Get a Hold of Yourself: Embracing Authenticity in a Complicated World"

On Friday, November 14th, at 7pm Troy Watson will join us at Bethany Mennonite Church to talk about his book, "Get a Hold of Yourself", in which he addresses some of the questions of faith that we have as we attempt to live authentically in a complicated world. If Jesus says we are to die to ourselves and deny ourselves, how do we do that while loving and being true to ourselves? How do we accept our need for growth and grace without feeling like hypocrites? How can we become more Christlike while also becoming more like ourselves? Join us for stimulating conversation, music, and cake to follow it all up!
